**TARGETED MARKET RESEARCH &
BUSINESS INTELLIGENCE**

Procuring Knowledge To Assist Your Business.

OUR VALUES

Passion. Partnership. Opportunity.

www.thepoultryservice.com

Passion: We are passionate about helping others grow, and about using our industry expertise to help play a part in others realising their potential.

Partnership: By being at the centre of trusted partnerships, so many more mutually beneficial opportunities, for both partners and clients can be created and developed.

Opportunity: In the food industry, opportunities are endless. We want to help both partners and clients create and develop as many opportunities as possible.

OUR MISSION

To Provide Care, Value And Support To Accredited Businesses Within The Global Food Industry, Through Developing And Growing Business Opportunities For Our Clients And Striving For Continuous Growth With Our Partners.

The background is a light green color with a pattern of faint, semi-transparent financial charts and graphs. These include pie charts, line graphs, and bar charts, some with labels like 'FIGURE 1', 'FIGURE 2', and 'FIGURE 3'. The overall aesthetic is professional and data-driven.

IN-DEPTH RESEARCH AND REPORTING

Shining A Light On Global Markets, Trade Factors
& Reports

TARGETED MARKET RESEARCH & BUSINESS INTELLIGENCE

Through researching and gathering information from reliable and trusted sources, we can provide our clients and partners with a tailored reporting service on factors that contribute towards a final product cost, or just to simply shine more of a light on a specific market in order to assist with a current project.

We Can Help With Subjects Such As:

Livestock pricing forecasts and factors

Animal feed costs and forecasting

Fuel markets

FOREX

Domestic promotional activities

Avian Influenza

Electricity costs

Labour markets

International Trade Factors

National Holidays

A WORLD FULL OF OPPORTUNITY

No matter where in the world you are based, we would love to see if there are ways we can work together with you, to offer you value, support and our expertise through our services.

How Can We Help You?

"We would love for you to get in touch with us to explore ways of working together to support your business".
